We do title insurance litigation and title curative work.

Through both litigation and curative work, we help clients solve issues including contested ownership, contested encumbrances, and the interpretation of liens, easements, and building restrictions. We also advise with respect to issues regarding the regulation of title agents and related title industry standards.

About Sher Garner

Sher Garner Cahill Richter Klein & Hilbert, L.L.C., located in New Orleans, Louisiana, is a nationally recognized full service law firm delivering sophisticated legal representation in both litigation and transactional matters.

Our talented team of attorneys provides our clients with the astute knowledge of a large firm practice, but with responsiveness, personal attention and sensible staffing of a smaller firm, all while delivering quality legal services effectively and efficiently.

The hallmark of our service is our attention to the needs of our clients that goes beyond the rules of professional responsibility. When representation requires litigation, we are aggressive trial lawyers, who are not afraid to fight to protect our clients' rights. We also believe in reasonableness and cooperation, however, and adjust our representation to suit the needs of any particular client. A client who brings us a transactional matter can expect an honest and accurate appraisal of the matter and a resolution in the most practical, direct and economically feasible manner.
